WORK EXPERIENCE:

Mirrors Of Twilight - Reiki Master/Teacher, 2010 - present, (part-time, self-employed)

Purple Sky Medicine Walk - Reiki Master/Teacher, 10+ years, (self-employed)

In my private practice, I'm responsible for doing holistic treatments for clients by appointment, and teaching Reiki Classes for self-care. For businesses, I'm responsible for doing "Lunch and learn" classes to offer information on holistic wellness. This allows employees to experience short Reiki sessions to enhance well-being at work.

UConn Health Center, (Integrative Medicine Department) - Subcontractor - 2002 - 2007

I was responsible for doing Reiki sessions, by doctor referrals on outpatients, and by nursing referrals on inpatients. I was responsible for teaching Reiki Classes to nursing staff, (for self-care, and to enhance relaxation/decreased pain in their patients), and for members of a women's wellness group.

UConn Health Center, (Research Department) - Subcontractor/Primary Practitioner - 2001 - 2008

NIH, (National Institutes of Health), Study: I was responsible for doing Therapeutic Touch on cells in petrie dishes, document the steps of the treatment, and effectiveness. Private Foundation Study: I was responsible for doing Therapeutic Touch on animals, document the steps of the treatment, and the response/effectiveness of the treatment on the animals.
